PROFESSIONAL PROFILE

CIPD-certified HR professional with progressive experience in payroll operations, compensation & benefits, and HR operations. Proven expertise in end-to-end payroll processing for 1,200+ employees, ERP/HRIS system integration (MenaITech, SAP SuccessFactors), Wage Protection System (Mudad/WPS) compliance, and GOSI administration. Skilled in job evaluation using Korn Ferry Hay Method, salary benchmarking, total rewards analysis, and benefits administration. Strong analytical capabilities with Power BI and advanced Excel for HR analytics and data-driven decision-making.

PROFESSIONAL EXPERIENCE

Payroll, Compensation & Benefits Senior Officer

Bin-Shihon Group | Jeddah, Saudi Arabia | Nov 2024 – Present

Payroll Operations & Disbursement:

- Lead the payroll team processing salaries for 1,200+ permanent and 100–500 third-party employees, ensuring accuracy and timely disbursement through ERP/HRIS (SAP SuccessFactors / MenaITech).
- Manage end-to-end payroll cycle: time & attendance, overtime calculation, deductions, allowances, final payroll reconciliation, and compliance with Saudi Labor Law.
- Oversee bank payment files (SIF) preparation, submission, and Wage Protection System (Mudad/WPS) compliance including file uploads, rejection handling, and MOHR reporting.
- Process final settlements, leave settlements, ESB calculations, housing/transportation allowances, and GOSI registration and monthly contributions.
- Drive full payroll integration with MenaITech ERP, configuring automated financial postings, journal entries mapping, salary accruals, provisions booking, and cost center allocations, ensuring seamless real-time data reconciliation between HR, Payroll, and Finance GL modules.
- Generate payroll analytics, cost reports, and variance analysis for senior management.

Compensation & Benefits:

- Execute job evaluations using Korn Ferry Hay Method, applying grading criteria, benchmarking positions, and maintaining internal equity across the organization's grade structure.
- Analyze and validate quarterly Korn Ferry salary survey data, verifying pay grades accuracy, salary structure alignment, and market positioning to ensure competitive and equitable compensation benchmarking.
- Prepare bonus calculations, commission sheets, and merit increase data, ensuring alignment with approved KPIs and budget guidelines for management review and approval.
- Support benefits programs administration including medical and life insurance enrollment, renewals tracking, and cost analysis to assist management in vendor evaluation and decision-making.
- Prepare C&B analytics, total rewards reports, and compensation proposals for hiring, promotions, and transfers.

Payroll & Compensation Specialist

Alesayi Motors | Jeddah, Saudi Arabia | Aug 2022 – Oct 2024
